CLIFTON CAREER DEVELOPMENT SCHOOL

Providing purposeful engaging instruction, in a supportive and safe environment, to ensure students are college, career, and life ready.

Clifton Career Development School is a centralized Career Technical Education program intentionally designed for historically underserved learners. Students participate in a coherent sequence of courses within a chosen program of study. Learning experiences include classroom instruction, hands-on labs, and internships designed to meet personal transition goals.

WHO CAN TAKE A CLIFTON PROGRAM?

Rising 10th & 11th grade students at any AISD high school who are interested in a Clifton program

WHY CLIFTON?

Bonus CTE offerings
Hands-on learning
